

# Employer Matching

## Boost Your Donation with Employer Matching

Did you know you can double your donation through employer matching programs (also called corporate matching gifts)? These programs are a type of philanthropy in which companies financially match donations that their employees make to nonprofit organizations— some even match for spouses and retirees. Some companies also match volunteer hours. Since we're a registered 501(c)(3) nonprofit under Chandler School Boosters, your contributions may be eligible.

## Already Donated?

No worries! Many companies will still match your gift within 12 months of your original donation. You should have received a donation receipt (tax receipt) via email. You can upload this receipt to your company's matching portal or share it with your HR or Benefits team to request a match. Scroll down to find our official name, EIN, address, and phone number.

## How to Get Started with Employer Matching?

### 1. Check with your employer

Ask your HR or Benefits team if your company offers employee matching donations or uses platforms such as: Benevity, Your Cause (Blackbaud), CyberGrants (Bonterra), Deed, Bright Funds, Millie or POINT (GoodUp)

### 2. Log in to your company's portal

Not sure where to find it? Your HR or Benefits team can guide you!

### 3. Search for the organization- First, try: Your specific school Booster name

- If not found, search: Chandler School Boosters, Inc.

(This is our non-profit umbrella. Your donation will still reach us!) and 📌 **Add a comment (Very Important!)**

In the comments or remarks section, please include:

1. Your PTO or Booster Name

2. Name of Student associated with donation

- Still can't find us?

- You may need to manually add our organization to your portal.

Scroll down to find our official name, EIN, address, and phone number.

### 4. Enter your donation

Input your donation amount and proceed to the next step

### 5. Submit & Send a Receipt

**After making your donation, please print or download the receipt and send a copy to your Booster or PTO so that they can follow up with it at CSB.**
